Dear DR. Sachinidis,

Words are inadequate to express our appreciation for your outstanding medical. Chris was quite ill when we arrived at your hospital and I was worried about being in a foreign country and I do not speak Greek.

You put us at ease assuring me you would get Chris well - and you did.

This hospital is truly fortunate to have you. Your family must be so very proud of you for the amazing work you do.

I hope you will call us if you are ever in Las Vegas. We welcome you as a guest in our home. We would love to show you Las Vegas as locals know it.
