Paleo Faliro Clinic

29/6/16.

To Whom it may concern.

My name is Barbara Kells. I was admitted to the above clinic with Bronchial pneumonia. I want to thank Dr Sachinidis, and Dr Georgatos, all Nurses and staff for the wonderful treatment, care and attention I received while I was hospitalised in the clinic. I would also like to thank Stavroula Frantaki for the efficient way which she took care of the insurance cover for me and eased the worry. Finally I wish to say I would have no hesitation in recommending anybody for treatment to this clinic.

Regards

Barbara Kells.
